

Verified BUYER & PARTNERS — OVERVIEW

Finding genuine, verified buyers is the biggest challenge for manufacturers, traders, and exporters who want to enter new international markets. Our Buyer & Partner List service provides businesses with a highly targeted list of importers, distributors, wholesalers, retailers, and B2B partners in the country they want to enter.

This service helps companies save months of research time, avoid fraud, and begin real conversations with serious buyers.

Purpose of the Buyer & Partner List

This service helps businesses:

Identify Real Buyers

Identify real, verified buyers in the target country

Direct Contact

Get direct contact details of decision-makers

Market Entry

Enter the market confidently without trial & error

Immediate Outreach

Start outreach immediately

Risk Reduction

Reduce risk of dealing with non-serious or fake buyers

Perfect Match

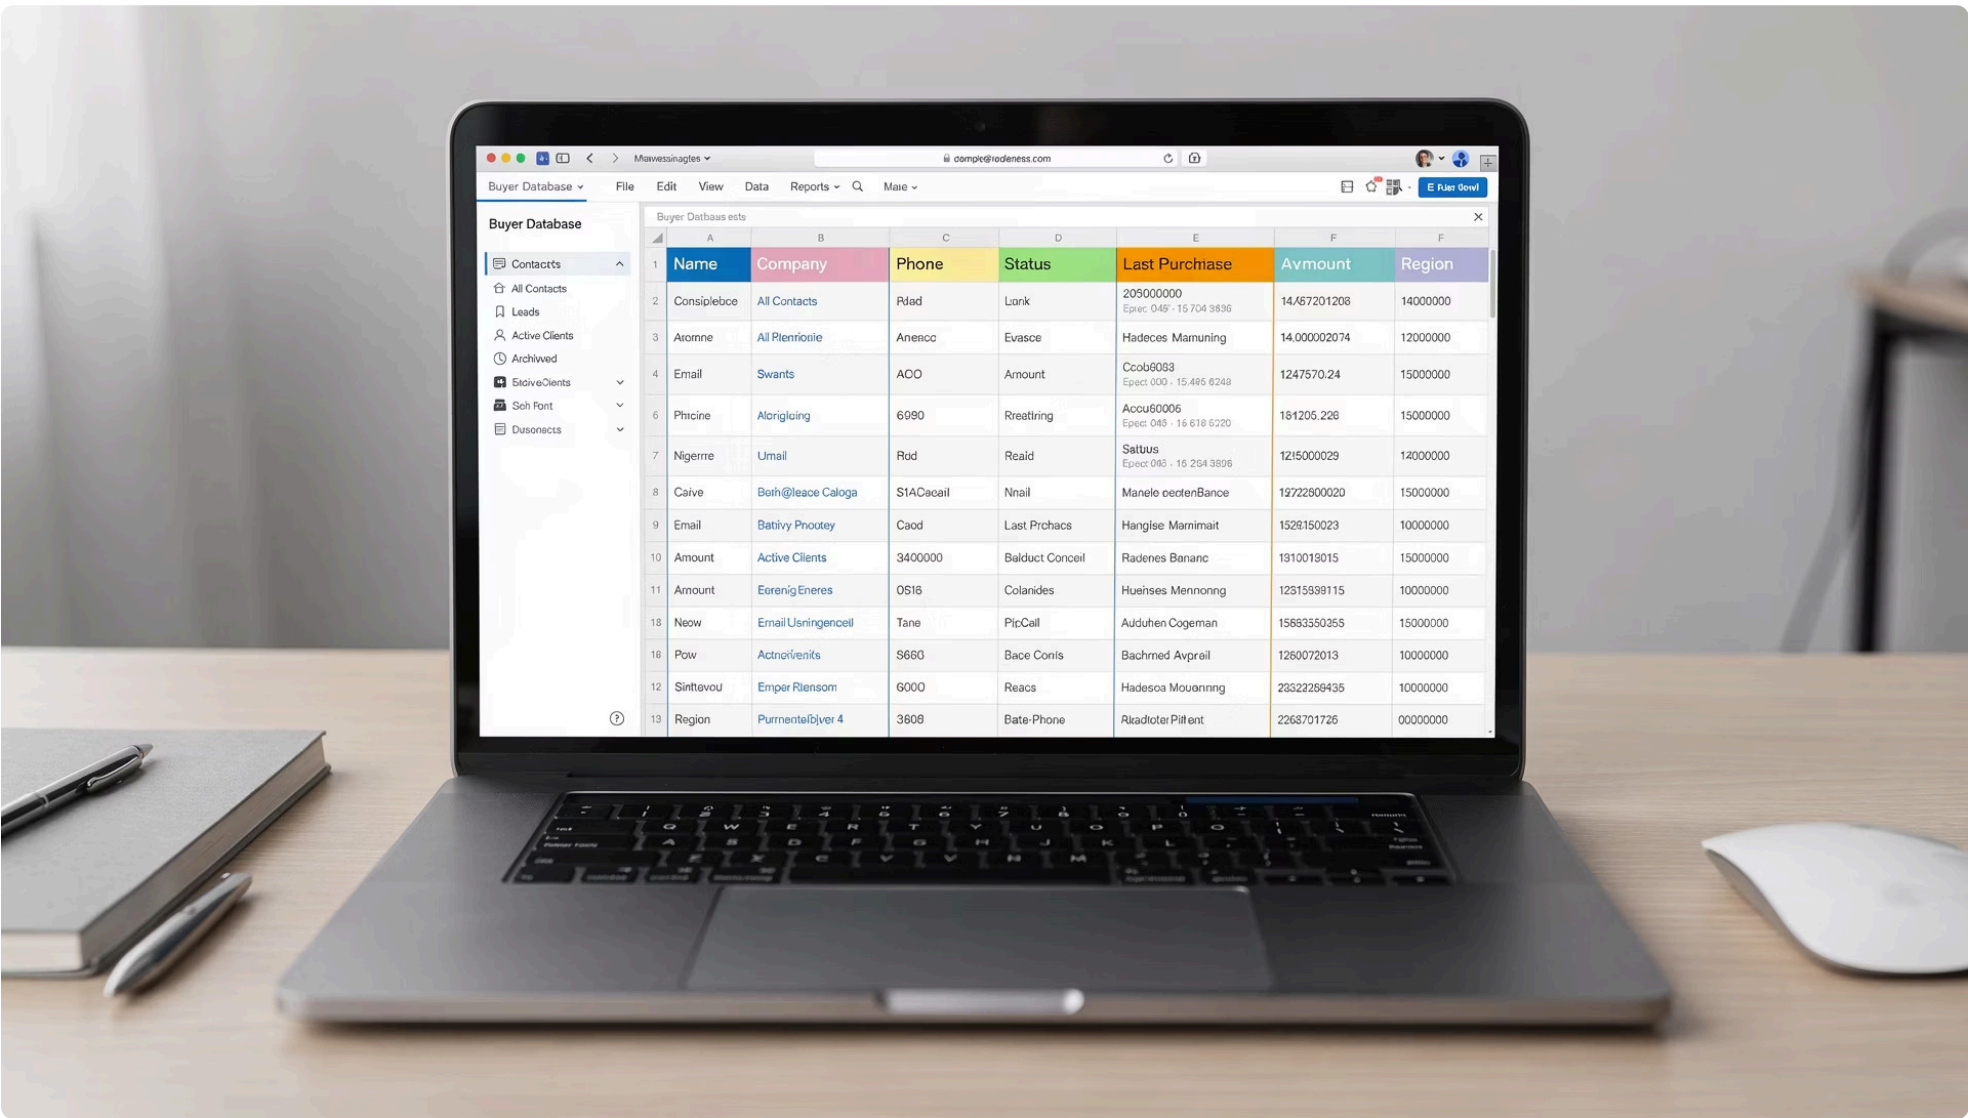

Choose partners that match their product category

Market Intelligence

Understand market structure & buyer expectations

The list becomes your starting point for global expansion.

What the Buyer & Partner List Includes?

Each Buyer & Partner List is prepared manually with industry-specific research (not automatic or copied from internet).

You receive:

✓ 50–200 Verified Buyers

- Importers
- Distributors
- Wholesalers
- Supermarkets (if relevant)
- Online sellers (Amazon, Shopee, Lazada, EU ecom, etc.)
- Retail chains (product-dependent)
- Private-label companies (if applicable)

✓ Full Contact Information

- Company name
- Website
- Email (purchase/decision team)
- Phone number
- Address
- LinkedIn profiles
- Buyer/Sourcing contact (where available)

✓ Buyer Segmentation

- Large distributors
- Medium wholesalers
- Niche / boutique buyers
- Online resellers
- Private-label buyers
- Agents & consolidators

✓ Category Fit

Each buyer is matched specifically to the client's product.

Example:

Food → Food buyers

Cosmetics → Cosmetics buyers

Apparel → Apparel buyers

Household → Household importers

Industries We Support

The Buyer & Partner List is available for:

- ✓ Apparel & Textiles
- ✓ Food, Agro & FMCG
- ✓ Cosmetics, Skincare & Perfumes
- ✓ Household & Home Care
- ✓ Industrial Products
- ✓ Packaging Materials
- ✓ Electronics & Accessories
- ✓ Private Label & OEM sectors

You can choose any country and any industry.

How the Buyer List Helps Your Business ?

Clients use our Buyer & Partner List to:

- Start immediate outreach
- Send catalogues to verified buyers
- Understand buyer categories
- Get initial sampling requests
- Begin distribution discussions
- Explore private-label OEM opportunities
- Identify top-level decision makers
- Avoid spending months searching manually
- Reduce export risk
- Build long-term partnerships

This service provides the foundation for successful exports.

How We Create the Buyer & Partner List ?

Our team follows a structured, professional research method:

01

Country & Product Understanding

- Your product
- Target country
- Industry segment
- Packaging type
- Price positioning

02

Buyer Discovery

- Directories
- Trade portals
- Importer records
- Industry association lists
- Retail chain buyer data
- LinkedIn sourcing managers

03

Screening & Verification

We remove:

- ❌ Non-active companies
- ❌ Fraudulent or misleading websites
- ❌ Non-relevant buyers
- ❌ Companies without import capacity
- ❌ Outdated data

04

Final Selection

We include buyers that match:

- ✓ Your product category
- ✓ Your MOQ and style
- ✓ Your pricing level
- ✓ Your target market segment

05

Delivery

You receive:

- ✓ Excel Sheet (or Google Sheet)
- ✓ Segmented buyer list
- ✓ Notes on best buyers
- ✓ Contact priority ranking

What Makes Our Buyer Lists Superior ?

Manually Curated
Data is manually curated

Product Matched
Each buyer is matched to product

Category Relevant

Verified contact information

Clear Division
Division of importers vs distributors

Outreach Support
Add-on support for outreach

Sample Templates
Optional sample outreach templates

Fraud Prevention
Avoids fake buyers/scams

Time Savings
Saves 3–6 months of time

 **This is not a generic database — it is a research-backed export tool.**

Value You Receive

With this service, businesses get:

- ✓ A complete ready-to-use buyer database
 - ✓ Clear idea of who to contact first
 - ✓ Immediate access to 50–200+ buyers
 - ✓ Insights into market structure
- ✓ Contact details of key decision-makers
 - ✓ A faster path to export orders
 - ✓ Foundation for sampling & negotiation
 - ✓ Support documents for expansion planning

Message to the Client

The Buyer & Partner List is your first step to entering a new country. It gives you the right buyers, the right contacts, and the right direction—so you can start building your export business without confusion or wasted time.

With the correct buyers, your chances of receiving inquiries, sample requests, and eventual purchase orders increase dramatically.

We help you connect globally with confidence.
